Principal's Message - 1992

As the school year closes so does a twenty-nine year career in education close for your principal. I began my career at Highlands School in 1963 and it was always my wish to finish up as principal at Highlands School.

I have had the thrill of teaching close to one hundred students who have returned to Highlands as parents. I am very proud of our school, our students, our staff and our parents. We have a fine and gracious old building. We have a staff that is second to none and parents who care about education and our school. It is the students, however, who provide the real reward, satisfaction and enjoyment. It will be the successes of our kids that will underline the efforts of our staff and parents. Without student success school and education mean nothing. To the students I say thank you for making my time at Highlands so rewarding, heartwarming and exciting.

Our staff have taken some beliefs and turned them into action. Without the dedication, loyalty and hard work of the staff Highlands School and its reputation as a great school could not exist. Add the support of the community and parents and we have a powerful combination. Thanks to the parents and staff.

I would be remiss if I did not say a special thank you to three staff members who have given me so much support, encouragement and consoling. Peter Jonkman, Marlene Gelette and Patricia Moore have looked after me so well for the past six years. I am indebted to these three people for doing so many of the tasks that fell on their laps and, as a result, kept me out of "hot water".

You have all given me magic moments to cherish and these moments will be dearly cherished for the rest of time. The best of wishes to one and all and may Highlands School continue to be a bright light and a place we can always call "home"! God bless you all!

PATRICK B. DAWSON, PRINCIPAL

Assistant Principal's Message - 1992

We have enjoyed another banner year. Our cheerleaders were undefeated for the third year and are currently the Provincial Champions. Congratulations to Lisa Edgar, Ed Mah, the Cheerleaders, and their parents for a job well done. Our second Blast From the Past was a huge success. The gymnastics team took third place in the city. Our Ski Club has had another great season. And we were able to travel once again with a group of thirteen students, staff, and parents to Europe.

Thanks to our Parents and Alumni Association we raised \$37,000. for our new IBM computer laboratory. A special thank you to Carrie Boyden, Ed Romijn, and Colin Gafka for their leadership in the casino. At the same time, our bingos are making it possible for many more students to enjoy our extra curricular events.

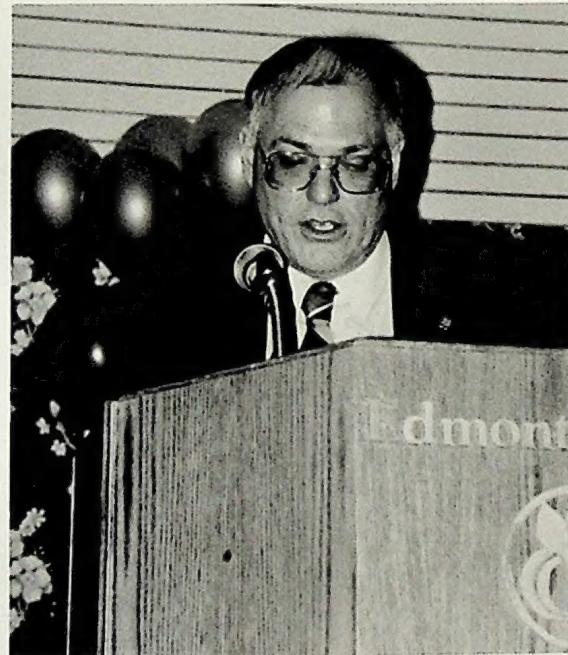

We have been blessed with one of the finest junior high schools in Edmonton. Our staff, jointly with our students and parents have made our school a very special place of work. A very special bouquet to our Student Council President, Chelsea Wheeler, who has provided outstanding leadership for our students.

All good things do not happen by accident. We have been very fortunate to have had Pat Dawson as our leader for the past six years. He has worked ceaselessly to mould Highlands into a child centered school. He has led by example. He has supported the staff and instilled confidence in each member. He has moulded us into a very powerful team. His positive attitude has been a constant source of energy for us.

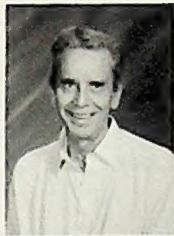

Pat, as you retire, thank you for your contribution to our school. Like our Edmonton Oilers, you have forged a dynasty at Highlands, and we would all like to thank you for your love and support.

In closing, we would like to wish you the very best in your retirement. May you enjoy it is good health and happiness.

Student Council had a very successful year under the direction of Mrs. Fitzpatrick and Mr. Jonkman. Council sponsored many fun activities like: Muk-Luk, HOG Days, Adopt-a-Grandparent Tea, Pep Rally and of course, the dances. Council helped the school raise \$1200 for Santa's Anonymous. We were able to sponsor a foster child in Asia. This was a **super year** and will be greatly remembered!

HOG DAYS

H.O.G. Days

This year on H.O.G. Days 9C rocked the school! As an award they got the "stinky shoe". Did you ever wonder where the "stinky shoe" came from anyway? Well, it started when Mr. Kunyk, a former physical education teacher, lost one shoe. When Mr. Kunyk couldn't find his other shoe, the staff decided to use it as an award. They painted and mounted it and today it is a prestigious award at Highlands.

Halloween

Boo! Are you scared yet? I am. Halloween is a special time of year at Highlands. We had a great time the week of Halloween. Every homeroom worked hard to carve pumpkins and win points for the spirit plaque. The costumes were great - especially The Mario Brothers (Heather Jackson and Jackie Houlden) and the Statue of Liberty (Steven Bromley). After the fantastic costumes, there was a great Halloween dance. Halloween this year was spooktacular.

Muk Luk

...It's a frosty winter day. The sun is shining, but it's cold. Muk Luk was exciting for everyone. The first place winner in grade 7 was 7D Mr. Burnett, in grade 8 was 8F Mr. Radmanovich, and in grade 9 and overall winner was 9C hippies. Before Muk Luk day there was a pep rally. The athletic teams introduced themselves to the student body. The teams were: the girls and boys volleyball team, the cheerleaders, the soccer team, and the girls and boys basketball team. Students Council had a game for all the homerooms - it was called "Homeroom Challenge". Each class had to find the person who had the longest hair in the school, which class had the most earrings or ear holes, and which class had kids with the most braces. Each winning class won a bag of candies.

IT WAS A BLAST!

Dance

Did you know that the best dance of the year was the Welcome to Grade 7 Dance? This dance was the first dance held on September 26th. The grade 7's enjoyed it the most because they got in FREE! Plus, there was a lot of excitement in the air because students sang "Old McDonald" on stage, and a beach ball was thrown to win prizes. Mr. Rad's leadership class helped organize this memorable event. And even though the grade 8's and 9's didn't get in free, they still had a terrific time with the dancing, the games and the excitement.

Highlands Soccer

The Soccer Team had a great season. They were coached by Mr. Janish and Mr. Lowry. They were one of the strongest teams in our zone. The team went on to the City Finals but lost in the quarter finals to Parkview. *Good Job Team!!!*

Highlands Soccer Team Back Row; (L-R) Mr. Lowry, Dean Beko, Joe Auger, Ravinder Grewal, Peter Clarke, Clayton Jones, Corey Ingram, Ken Headley, Lisa Smith, Pho Heng, Mr. Janish. Front Row; Keipher Tomlinson, Sean Barr, Patrick Heard, Peter Mawson, Shane Fowler, Corey Eliot, David Bramford.

Journal Games

The Journal Games runners were coached by Mrs. Newsham who says that the highlight of the season was competing against other junior high athletes. Mrs. Newsham said that the very enthusiastic grade 7 girls made the indoor track season fun. Kenneth Headley made it to the finals which was another big highlight of the season. There were two memorable events - the eliminations meet at the Butterdone and the finals.

All the team members tried hard. They were Brandi McNeill, Rhonda O'Brien, Melanie Chyz, Joanna Treia, Sarah Toland, Lenai Sware, Leigha Babysh, Heather Urquhart, Dennis Goo, Dean Beko, Jaimie Flores, and Kenneth Headley made up the 12 member team.

Mrs. Newsham said that all the runners were good but one stuck out in her mind and that was Rhonda O'Brien. Rhonda was super helpful and she had recruited all of the other female athletes. Rhonda was always positive, energetic and very pleasant. "Way to go Rhonda!"

When I interviewed Mrs. Newsham I asked her what she tried to teach the kids and she gave me four of her rules. They were as follows:

1. To excel in their area of specialty (sprinting/long distance).
2. To be committed to themselves and the team.
3. To show sportsmanship toward each other and other school athletes.
4. To have fun.

Junior Girls Volleyball

The Junior Girls Volleyball team all had an exciting year at Highlands thanks to the coaching of Mrs. Dorchak and the good sportsmanship of each team member. All the girls played well together trying to defeat their enemies. Eileen Chan was one of the best players on the court. She was an excellent server, she is very skilled and was very consistent. The team won some and lost some, but who doesn't? The toughest game played was against Kennilworth, whipping them 15 - 0 in just one game! Londonderry school was the easiest team to beat. The Junior Girls most memorable games were at the Lawton tournament. They had lots of fun and although they didn't win, the team took pictures with the trophy. Junior Girls and Junior Boys gathered for a fun Pizza Party in honor of their hard work and great sportsmanship.

- by Huong Trac -

Jr. Girls Volleyball Back Row; Mr. Dorchak, Carmen Patterson, Lisa La, Stacy Monasterski, Neetv Brar, Tami Mesiatowsky, Jennifer Petraschuck, Mrs. Dorchak, Michelle Daniels, Front Row; Joslin Webster, Angela Silva, Barwaka Nalayeh, Heather Urquhart, Dayna Lefebvre, Anna Torres.

Junior Boys Volleyball Team

This season the boys were at the top of their division. The team was coached by Mrs. Mah and Peter Mawson. The players on this team were: Marc Finlayson, Jeff Chapin, Hoc Luong, Jerry Roman, Qui Tran, Hue Tu, Mike Nielson, John Miric, Shane Fowler and Kang La. One of the highlights of this team was winning third place at Lawton's tournament. This season lasted only four weeks. Some of the memorable moments were Fridays after school when the Junior Boys would play against the Senior Boys Volleyball Team. The four best players were: Qui Tran, Hue Tu, John Miric and Shane Fowler. These boys won all of their after school games except at Lawton. A special thing was when the Hardisty Volleyball team cheered for the Junior Boys at Lawton and they all became good friends. The boys learned a lot through the season and had a fun time. They look forward to the season next year.

- by Tara Fotty -

Senior Boys Volleyball

The coaches of the 1991/92 Senior Boys Volleyball team were Mrs. Mah and Mrs. Halliwell. The team as well as the coaches had a lot of fun this season. The team members were: Ravinder Grewal, Peter Mawson, Michael Ng, Stephen Bromley, Jerry Danyluk, David Opalinski, Keipher Tomlinson, Scott Parsons, Peter Clarke, Kevin Dueck, Bryan Brook, Chris Kerr and Dean Beko. The coaches and team members made up nick names for some of the players. Some of them are:

Jerry Danyluk - the "Stud"
Ravinder Grewal - "Ravi"
Scott Parsons - "Shorty"
Peter Mawson - the "Ref"
Bryan Brook - "Boomer"
Keipher Tomlinson "Best Kept Secret"

The Senior Boys Volleyball team went to two tournaments, one at Eastglen and one at Bonnie Doon. At the Eastglen tournament they won the consolation championship and at Bonnie Doon they just had fun. At the Eastglen tournament the team had their best win. It was against Londonderry Junior High. The Highlands team was dominating. Their worst loss was the first game against Kennilworth. This was a bad game because they were afraid of the offense. The coaches' worst game was at the Bonnie Doon tournament again St. Kevin's. The team's most memorable moment was when Scott Parsons bounced off the gym wall when he got hit by a volleyball. All of the team members were strong in different ways. Michael Ng had a powerful serve, David Opalinski and Jerry Danyluk both were good offensive and defensive players. Dean Beko won the M.V.P. at the Eastglen tournament and Jerry Danyluk won the M.V.P. at the Bonnie Doon tournament.

Highlands Gymnastics Team

The Gymnastics Team had a fabulous year. They competed in the City Championships at Killarney and came in Third. Mrs. Halliwell, Mr. Layton and Miss Freidrich coached the girls on to victory. The season was short but fun. This year, John Bayrack was the only boy on the team. Congratulations to all for a super job!

Cheerleaders

Cheerleaders

"We're number one!" was the cheerleading motto this year, and number one they were. The 14 girls had a great year in making it the third year the Highlands Cheerleaders were undefeated. The Cheerleaders had to agree it wasn't easy, it took a lot of hard work to make it to the provincials but it was worth it. With all the activities the Cheerleaders did it's hard to believe they had time to host a cheerleading camp over the spring break. But of course the Cheerleaders could not have made it this far without the help of their coaches Ed Mah, Grace Mah and Lisa Edgar. The year ended with a beautiful dinner and an award ceremony. Each Cheerleader received a special trophy at the awards dinner.

HAPPY

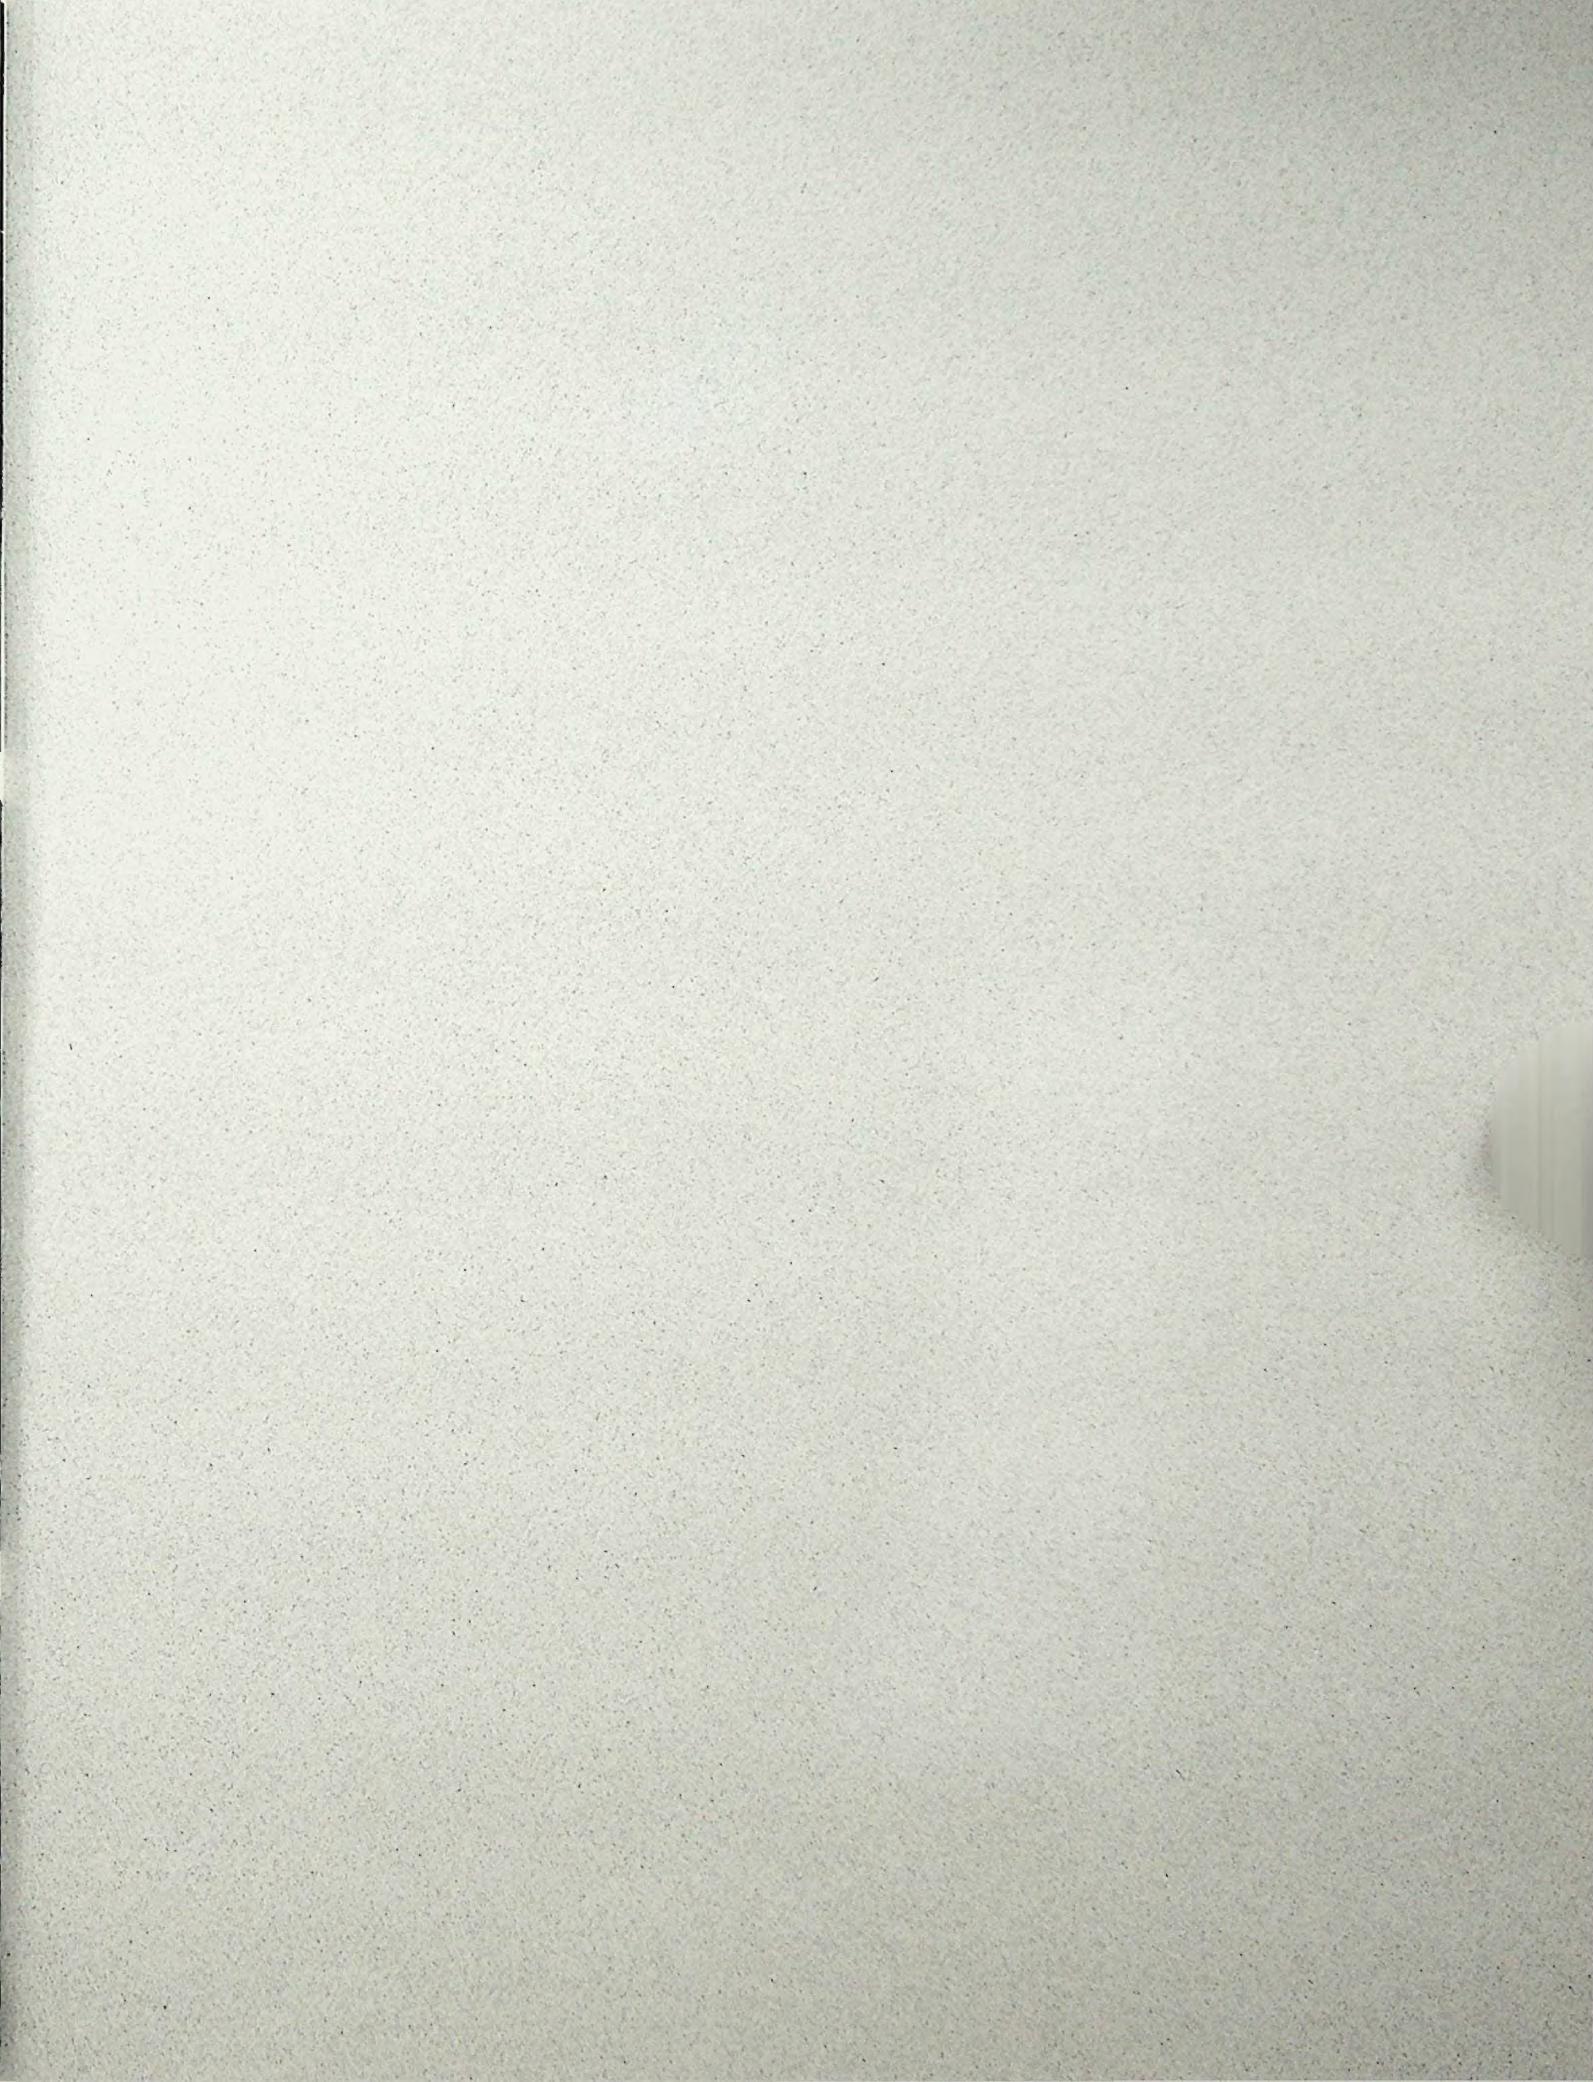

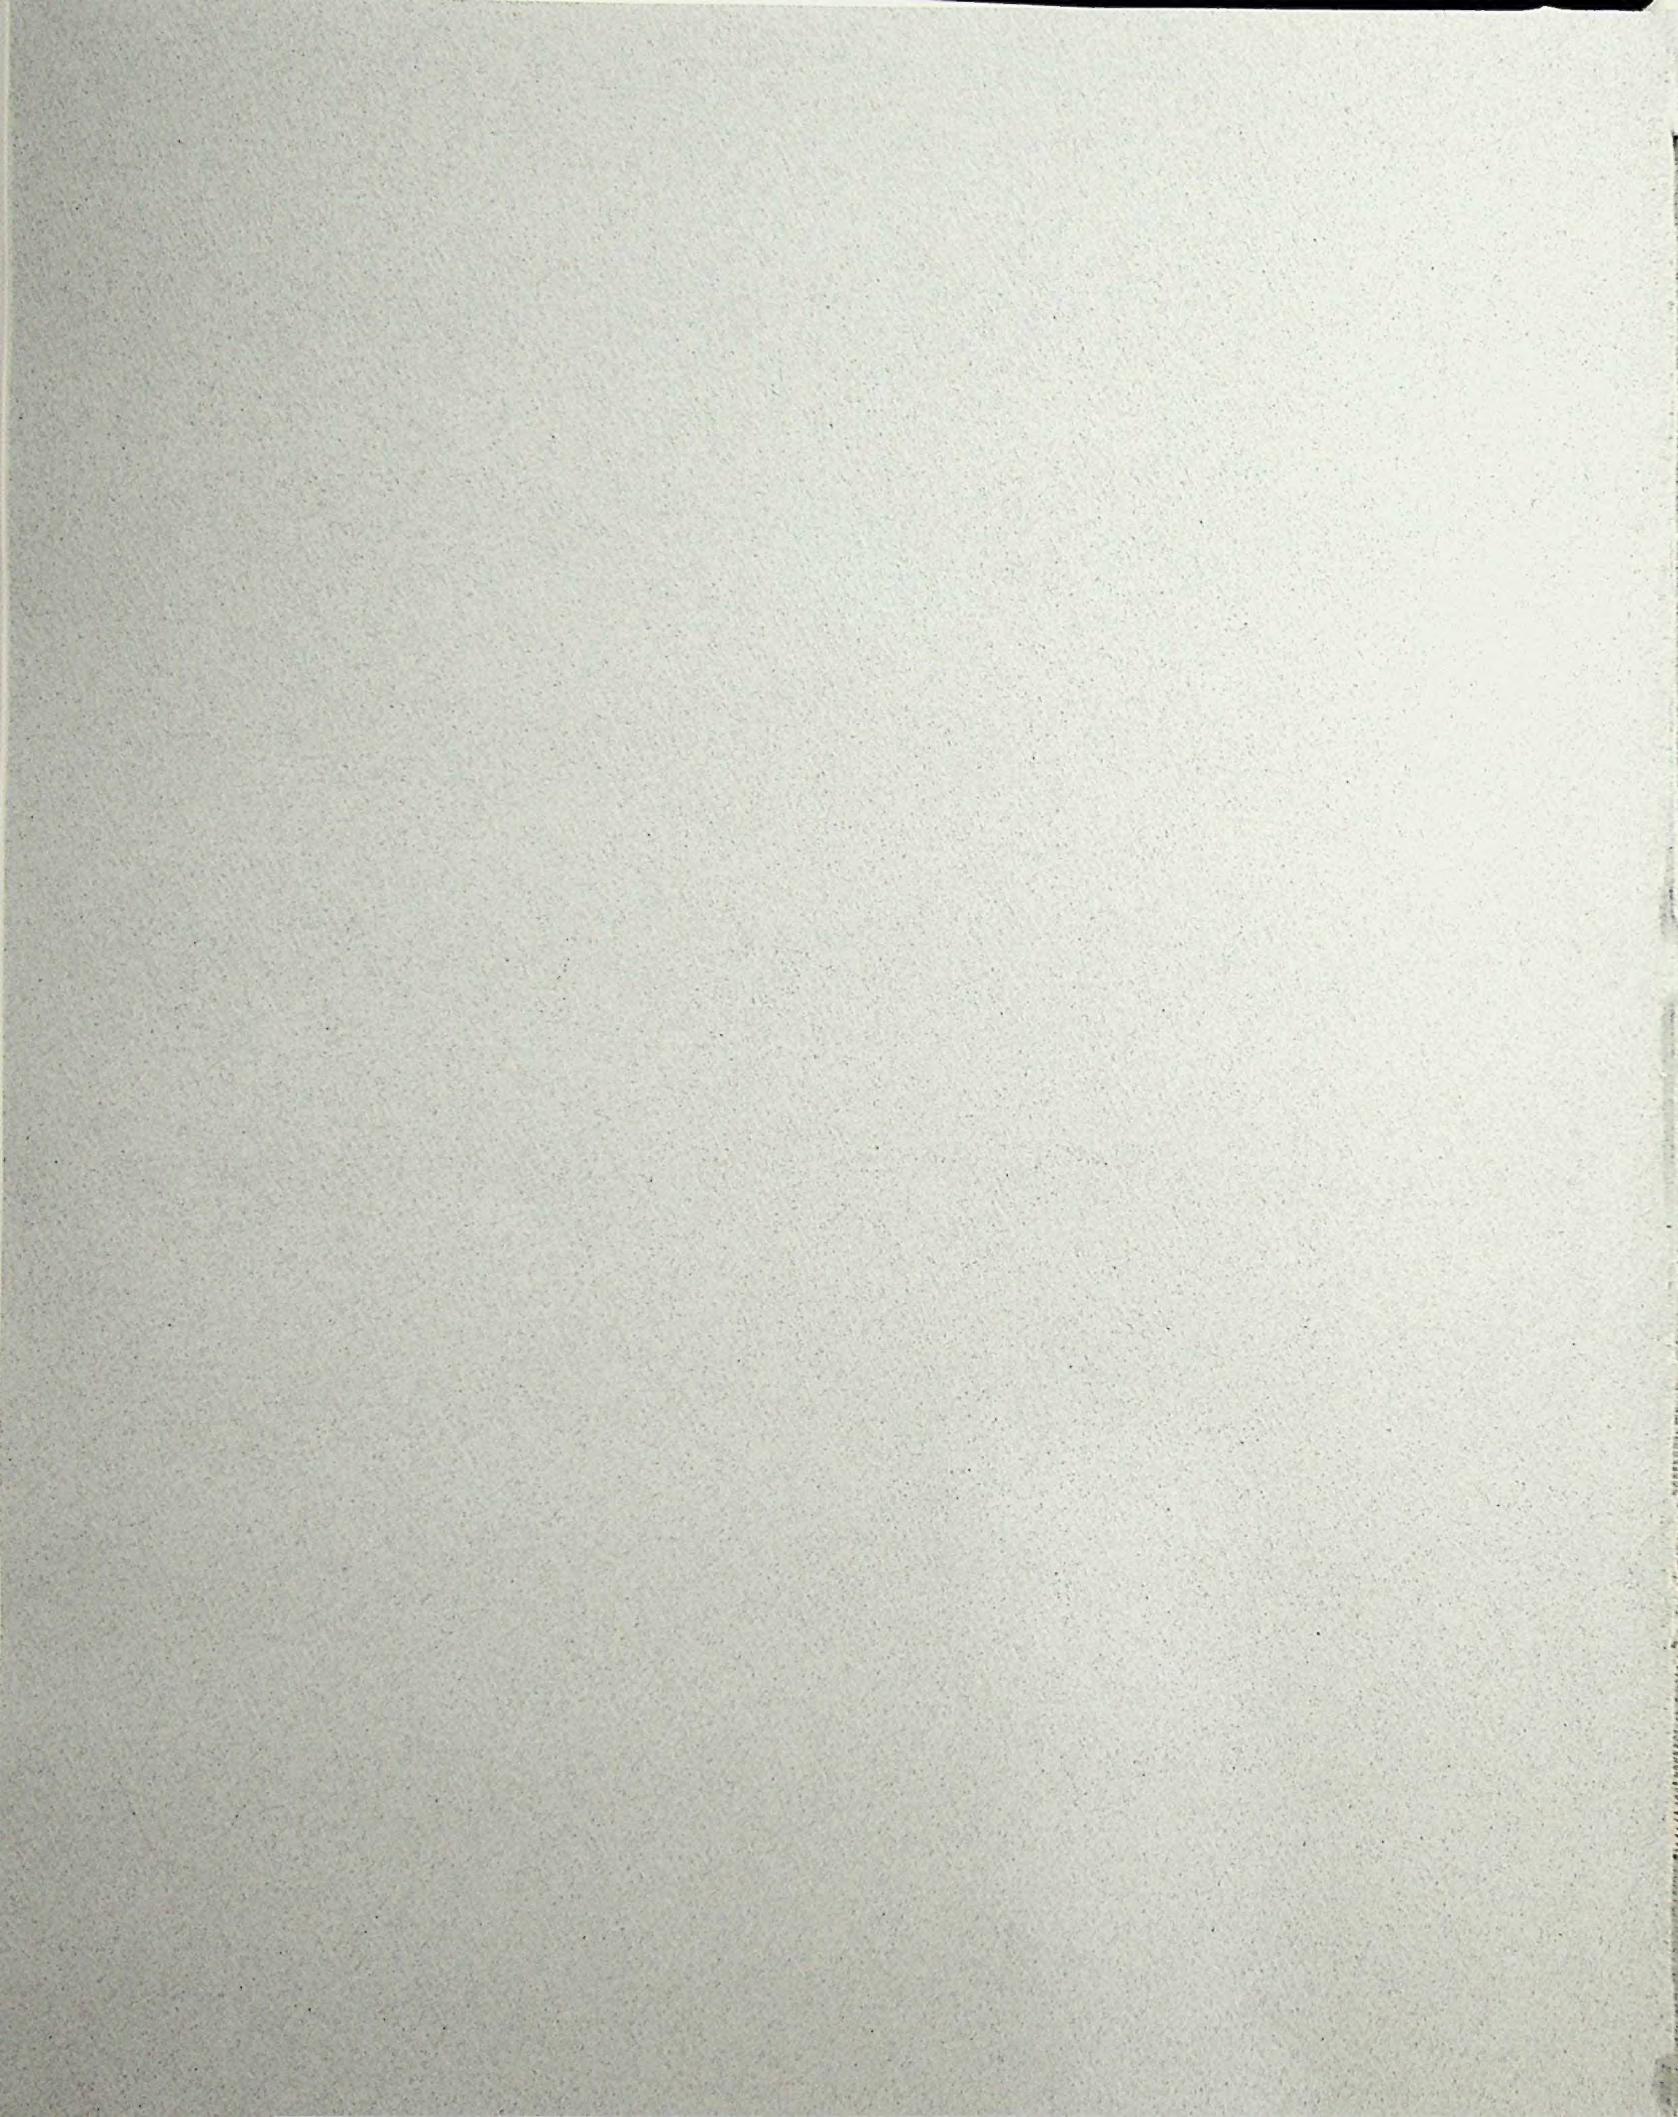

RETIREMENT!

The Europe trip was "Unforgettable." The Highlands Gang left Edmonton to embark on a ten day tour of London, Paris and Nice. Highlights of the trip included going to see the musical, "Me and My Girl" in London. The "Mission" through London streets searching for Docs. Crossing from England to France and playing on the slot machines. Seeing Flanders Fields at Vimy Ridge. The night tour of Paris by bus and boat. Going to Louis XIV's Chateau in Versailles. Sleeping on the night train to Nice. Spending a relaxing day in Nice shopping and swimming in the ocean. We ended the tour by going to Geneva and passing "Mah" Falls in Italy. This trip was a wonderful experience and has left us with many fond memories which are "Unforgettable."
